Dear Mr. Walker,

I am responding to your memo regarding our 30 Day Post-General Report (10/19/00-11/27/00).

The corrected pages relating to items 1,2,3 and 5 are attached.

Regarding item 4, our connected organization didn't expend any funds for elections. The Wisconsin Right to Life Political Action Committee paid the connected organization, at fair market value, for rental of the connected organization's list. There is nothing remotely illegal about this and the WRL/PAC has been renting the list in this very manner from the connected organization since the mid-1980's.

In regard to item 6, only one of those expenditures (MPS Mailing Service) required our filing a 24 hour notice as this was the only "last minute" independent expenditure for which we had paid a bill. We notified the FEC of this expenditure within 24 hours of paying the bill. The payments to Betty Tassoul and Firstar were not \$1,000 or over and would not have to be reported under the 24 hour requirement. But aside from that, the bills for Tassoul and Firstar and the bill for A to Z Printing were not paid until after the election was over. Thus, there were no independent expenditures to report via the 24 hour requirement.

Sincerely,

Richard Fox
